

First and foremost we would like to thank you for all the work you have done for the Village Pump Festivals in the past, it is much appreciated.

As you may know, last year the Pump Festival was broken and we have had to replace some parts. We are working hard to have a new event Priming the Pump on the 21, 22, 23<sup>rd</sup> July 2017. This year Priming the Pump will be a fund raising event to build a platform on which to take it forward into 2018 & beyond.

We will be looking for some Stewards, but as this event is not as big or take the area that the previous ones did, we don't require as many as before (look to the future). We are sending this email out to those on lists that we have obtained but will only be using emails in the future so please keep us informed of any changes to your email address.

It was suggested at the last open meeting that Stewards pay for their ticket for this year (£40 for the weekend) to help us raise funds, but it is only a suggestion.

If you would like to remain on our list for future events please answer this email even if it is a NO for this year.

Many thanks for your time Jerry Gale (Steward Manager) on behalf of Priming the Pump Fund Raising Team.
