Weekend Fundraiser 21/22/23 July 2017

This year we are holding a Fundraising event that is intended to be a great weekend for our loyal pumpers & an introduction to a variety of music for our new followers. It is hoped that this will be a platform on which to build more great things in 2018 & beyond.

All the concerts, this year, will be held in the Hall as we do not have access to the usual arena field

As usual this will be FREE & we have the normal camping field

Food & Drink

Compromises have had to be made this year as we are a fundraising event with limited cash resources & the White Horse Country Park have the sole concession for food & drink. They will have the Restaurant open for breakfasts, lunch & dinner. In addition there will be a Hog roast & B-B-Q.

Another compromise this year is that the Clubhouse & Golf Course will remain open. This means there will be limited parking behind the Club House & this will be for Artists & the Disabled.
